

KILEVA NEWS

Kenya Edition

During the past six months good progress has continued to be made on a number of Kileva projects as outlined in the attached *Autumn 2007 Newsletter*. For this I would like to thank the hundreds of Kileva supporters involved in both Kenya and the UK for their continued hard work, and in particular the members of the Kileva Eastfield School Committee in Mwakoma and the Kileva Dispensary Committee in Kirumbi for the energy and enthusiasm they have shown towards the projects that will play a vital part in the future of their communities.

I would also like to take this opportunity to once again thank both Godwin Kilele and Livingstone Mwakaba for their dedication to the success of the Kileva Foundation.

With very best wishes,

Cliff Evans
Chairman of the Board of Trustees
Kileva Foundation
